ONLINE PATIENT APP — SAFE. EASY. FREE.

Caring Health Center's online patient app, a patient portal called OCHIN MyChart, gives you direct access to parts of your electronic health record (EHR) where your doctor stores your health information.

Patients who are at least 18 years old may sign up for OCHIN MyChart. Adults at least 18 years old may become a proxy for children under 12, or adult patients who may require additional assistance.

A MyChart proxy is not the same as a health care proxy.

To enroll as a MyChart proxy, please ask to speak with a Practice Supervisor.
